## Introducción

**Si m** **Fa #**  
 On a dark desert highway, cool wind in my hair  
**La** **Mi**  
 Warm smell of colitas, rising up through the air  
**Sol** **Re**  
 Up ahead in the distance, I saw a shimmering light  
**Mi m** **Fa #**  
 My head grew heavy and my sight grew dim, I had to stop for the night  
**Si m** **Fa #**  
 There she stood in the doorway, I heard the mission bell  
**La** **Mi**  
 And I was thinking to myself this could be heaven or this could be hell  
**Sol** **Re**  
 Then she lit up a candle, and she showed me the way  
**Mi m** **Fa #**  
 There were voices down the corridor, I thought I heard them say:

**Si m** **Fa #**  
 Her mind is Tiffany twisted, she got the Mercedes bends  
**La** **Mi**  
 She got a lot of pretty, pretty boys that she calls friends  
**Sol** **Re**  
 How they dance in the courtyard, sweet summer sweat  
**Mi m** **Fa #**  
 Some dance to remember, some dance to forget  
**Si m** **Fa #**  
 So I called up the captain, "Please bring me my wine," he said  
**La** **Mi**  
 "We haven't had that spirit here since nineteen sixty-nine"  
**Sol** **Re**  
 And still those voices are calling from far away  
**Mi m** **Fa #**  
 Wake you up in the middle of the night, just to hear them say

## Estribillo

**Si m** **Fa #**  
 Mirrors on the ceiling, the pink champagne on ice, and she said,  
**La** **Mi**  
 "We are all just prisoners here, of our own device"  
**Sol** **Re**  
 And in the master's chambers, they gathered for the feast  
**Mi m** **Fa #**  
 They stab it with their steely knives, but they just can't kill the beast  
**Si m** **Fa #**  
 Last thing I remember, I was running for the door  
**La** **Mi**  
 I had to find the passage back to the place I was before  
**Sol** **Re**  
 "Relax" said the nightman, "We are programmed to receive"  
**Mi m** **Fa #**  
 "You can check out anytime you like, but you can never leave"

**Estribillo**
